

GREATER METROPOLITAN AUTOMOBILE DEALERS ASSOCIATION OF MINNESOTA, INC.

June 2, 2017

To: GMADA Members  
From: Scott Lambert, President  
Re: Scholarship information attached

GMADA is pleased to announce the continuation of the scholarship program which will offer twenty-five - \$2,000 Scholarships to GMADA dealership employees and their families for the 2017/2018 school year. Please make your employees aware of this program.

**Each GMADA dealership office manager is asked to provide the complete application and instructions for all interested employees (originals attached).**

Completed applications are due in the GMADA office by Friday, September 1, 2017 to be considered for the award.

The Scholarship Committee will review all applications and choose the winners. The names of those chosen will be submitted back to the dealership for verification that the sponsoring employee is still employed at the dealership. At that point, winners will be notified; checks will be prepared and returned to the dealership for presentation to the winners in the first week of November.

If you have any questions, please contact Ruth Goolsby at [ruth@mada.org](mailto:ruth@mada.org), or 651-789-2930.

Thank you.
